Dear Mr. Drasnin:

Well, if you really want to bother with this, here's a map of how to get to the little ball field. It has no bleachers, I discovered today, but a couple of benches I could sit on. Or I could stand, since I don't have much to say. Wednesday is my golf day, so I'll want to get away by noon. What about eleven o'clock instead of 10:30?

Best wishes,

John Updike
